Mirpur Cantonment, Dhaka -1216

Website: www.bup.edu.bd

Department of Environmental Science (DES)

Faculty of Science and Technology (FST)

Admission on Masters in Environmental Sciences and Management (Weekend) Session: 2019-2020

BUP invites application from potential candidates for Master of Science in Environmental Science Under the Faculty of Science and Technology (FST).

Overview and Prospect of the Degree

Pollution and climate change are the major challenges of the 21st century. A substantial number of qualified environmental professionals are needed both in home and abroad to efficiently handle those challenges of our Mother Earth. Besides, today's most careers have a linkage with environment, such as, Business and Environment (Green Business), Finance and Environment (Green Banking), Economics and Environment (Environmental Economics), and Development and Environment (Sustainable Development). So, considering creation of environmental professionals and enhance career opportunities, we offer an interdisciplinary weekend Master's Program with overlapping social, ecological and economic issues. It admits students from different academic backgrounds.

The **M. Sc/Masters Degree in Environmental Sciences and Management** from BUP has been designed for producing the most competent environmental professionals and experts. In addition, this program builds and strengthens knowledge and environmental leadership as a critical foundation for the advancement of open and environmentally sustainable societies. The Employers of Environmental Science graduates include:

- Industrial Sector;
- Local Governmental Authorities (Like LGED);
- Environment Agencies (EA);
- Department of Environment (DoE);
- Environmental Monitoring Organizations;
- Environmental Consultancies;

So better hurry! Start your carrier as an environmental expert and contribute to country's dream to achieve SDGs.
